We ship almost anything, *almost anywhere*

20+

YEARS OF
EXPERIENCE

Focus is a privately owned, independent freight company, known as one of the leading global freight forwarders with a worldwide operation.

Our team has more than 20 years of experience in logistics and has grown from strength to strength. Thanks to a dedicated network of agents worldwide, we bring a very personal and flexible approach to serving the shipping industry, taking care of the documentation and giving reliable local advice.

Our experienced operators work with you to make sure every aspect is arranged, including all documentation and customs clearance. The most economical method of shipment, combined with the most reliable route, is always recommended, so shipments forwarded by sea or air arrive at the destination on time and at the right price.

- ✓ In-depth knowledge of the industry
- ✓ A responsible team with a passion for service
- ✓ A strong and reliable worldwide network

WHY CHOOSE US

Exceptional service, *not just* competitive rates

Our approach to business revolves around our customers. Our extensive knowledge of global shipping lets us advise on the most efficient routes and transportation methods, so you can concentrate on your core business while we handle your shipments door to door.

WHY FOCUS

The complete solution for *every kind* of transport

We are dedicated to providing exceptional service, not just competitive rates. Our business revolves around putting our customers first.

01

Real-Time Tracking

Milestone updates from pick-up to delivery, so you always know where your cargo is.

02

Security for Cargo

We never compromise on the safety of your cargo, with tamper-proof transit and insurance options.

03

End-to-End Solutions

Door-to-door service that covers the entire delivery process from origin to destination.

04

On-Time Delivery

The most reliable routes, planned by experienced operators who know every lane.

05

One-Stop Solutions

Freight, warehousing, documentation and customs from a single accountable partner.

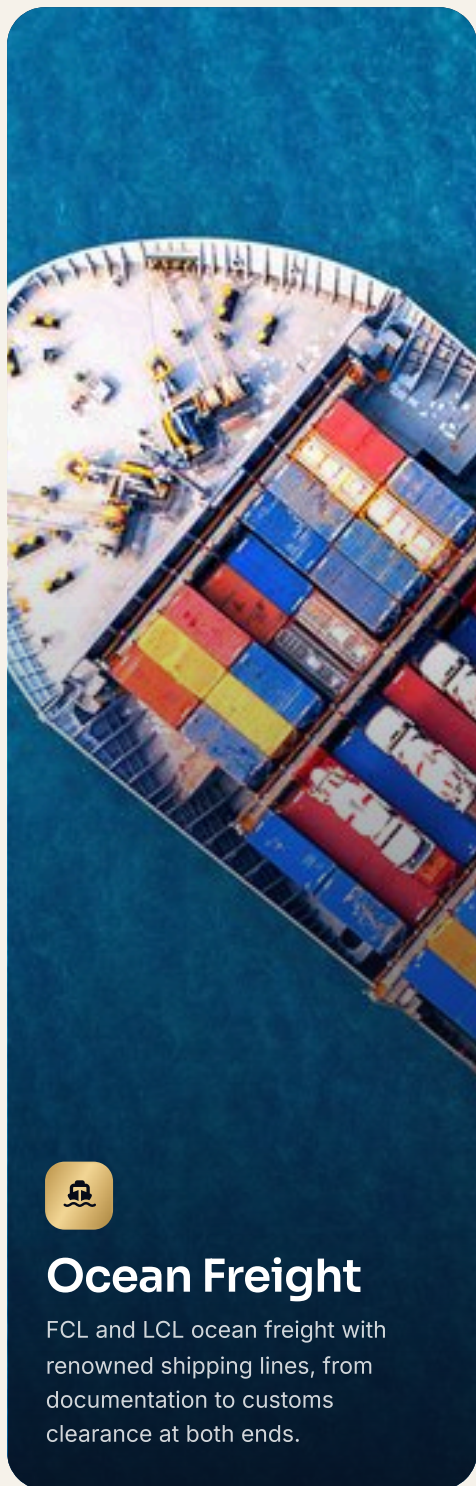

06

Worldwide Transport

A strong network of partners lets us ship almost anything, almost anywhere in the world.

Comprehensive logistics, *one partner*

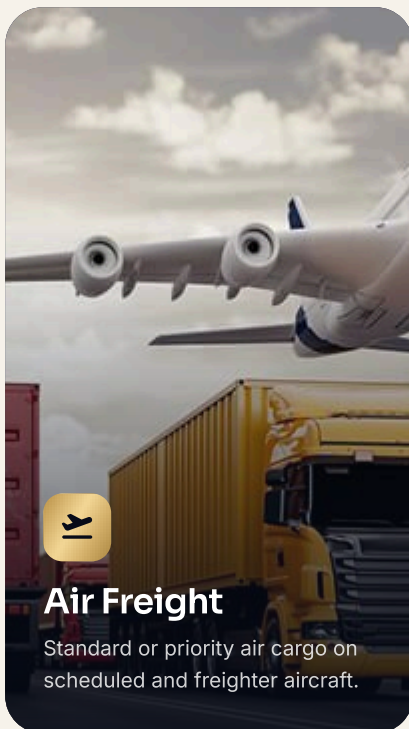

From a single pallet to a full vessel charter, we plan, move and clear your cargo end to end.

Ocean Freight

FCL and LCL ocean freight with renowned shipping lines, from documentation to customs clearance at both ends.

Air Freight

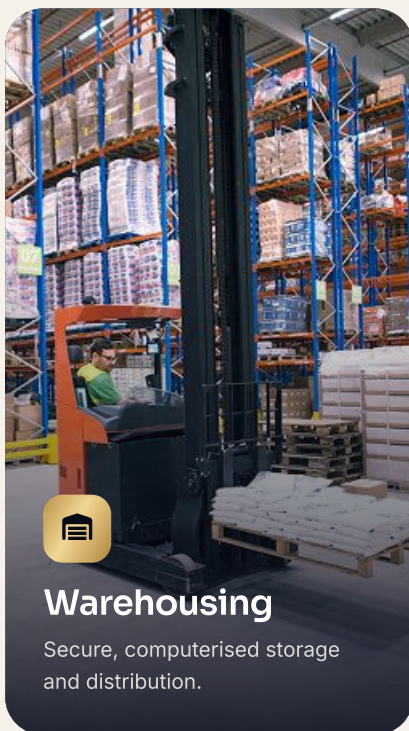

Standard or priority air cargo on scheduled and freighter aircraft.

Road Freight

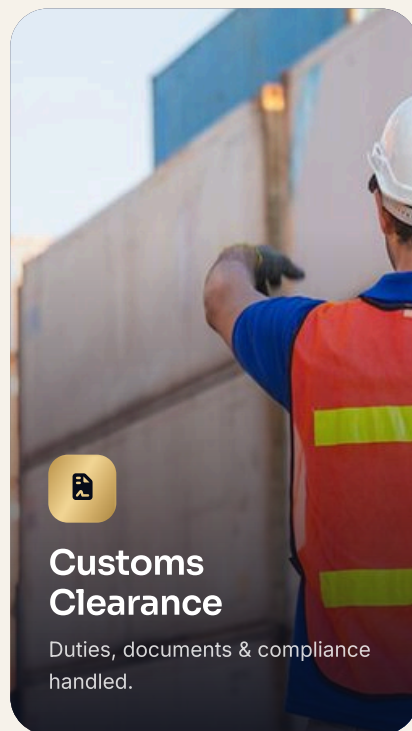

Full and part loads, dedicated transport, door to door.

Warehousing

Secure, computerised storage and distribution.

Customs Clearance

Duties, documents & compliance handled.

20+ years of experience

Worldwide partner network

Door to door

Personal service

Air Freight

Standard or priority air cargo between the United States, India and the rest of the world, handled by one accountable team.

Supported by a worldwide network of partners and agents, we arrange intercontinental bookings on scheduled and freighter aircraft, along with chartering and courier options for urgent cargo.

WHAT WE OFFER

- | | |
|---------------------------------------|------------------------------------|
| 01 Worldwide consolidation facilities | 05 Chartering and courier services |
| 02 Standard or priority service | 06 Import/export documentation |
| 03 Intercontinental freight bookings | 07 Integrated track and trace |
| 04 Scheduled & freighter aircraft | |

“ **Why Focus for air freight?** Worldwide consolidation combined with complete import and export documentation, so your shipment moves smoothly from pick-up to final delivery.

Ocean Freight

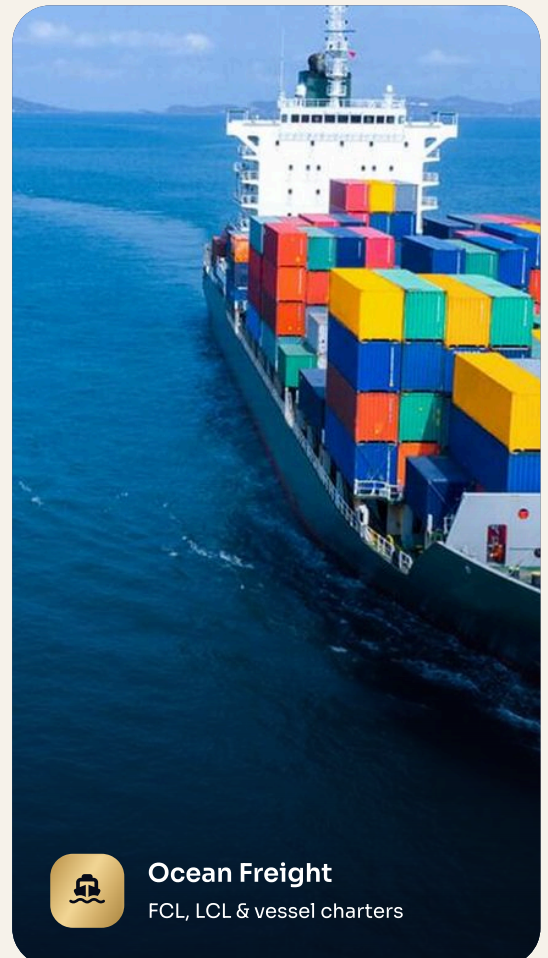

FCL, LCL, break-bulk and charter solutions with renowned shipping lines, for even the most complex requirements.

From full and less-than-container loads to part or full vessel charters, we plan the most economical and reliable route, and take care of the documentation and customs formalities along the way.

WHAT WE OFFER

- | | |
|---|--------------------------------------|
| 01 FCL / LCL import and export | 05 Break-bulk, dry and liquid cargo |
| 02 Issuance & verification of documents | 06 Intermodal / multimodal transport |
| 03 Export and import customs clearance | 07 Transport insurance |
| 04 Part and full vessel charter | |

“ **Why Focus for ocean freight?** The most economical method of shipment, combined with the most reliable route, so your cargo arrives on time and at the right price.

Ocean Freight

FCL, LCL & vessel charters

Road Freight

Full & part loads, door to door

Road *Freight*

Full and part loads, dedicated transport and door-to-door delivery that connects ports, warehouses and your customers.

Road transport has always been a key strength for Focus. From dedicated or on-request vehicles to distribution rounds between sites, we match the right equipment to your cargo and keep it secure in transit.

WHAT WE OFFER

- | | |
|-------------------------------------|-------------------------------------|
| 01 Full and part loads | 05 Tamper-proof transit |
| 02 On request, dedicated or rental | 06 Port of discharge to destination |
| 03 Distribution & inter-site rounds | 07 Door-to-door delivery |
| 04 Specialised transport | 08 Warehousing & storage |

“ **Why Focus for road freight?** One partner for the first and last mile means fewer hand-offs, clearer accountability and on-time arrivals.

Warehousing *Services*

Computerised, efficient and flexible warehousing that keeps consumer goods and perishable items safe for extended periods.

Dedicated client managers and warehouse supervisors are stationed at each location to keep your inventory accurate and your orders moving.

WHAT WE OFFER

- | | |
|--|--|
| 01 Warehouse management | 04 Storage and distribution |
| 02 Distribution centre management | 05 Dangerous goods storage |
| 03 Low & ultra-low temperature control | 06 Public / private bonded warehousing |
| | 07 Freight consolidation |

“ **Why Focus for warehousing?** Storage, consolidation and onward transport under one roof shortens lead times and gives you one point of contact.

Warehousing

Secure storage & distribution

Customs *Clearance*

Expert guidance through the rules, duties and documentation of importing and exporting, so your cargo is never held up.

Our team brings in-depth knowledge of global customs regulations and a strong presence in local customs activities, preparing and following up on every document so your shipment clears without delay.

WHAT WE OFFER

- | | |
|--|-------------------------------------|
| 01 Global customs regulation expertise | 04 Customs documentation handling |
| 02 Strong local customs presence | 05 Follow-up with authorities |
| 03 Air and ocean customs clearance | 06 Documentation preparation |
| | 07 Pre- & post-shipment formalities |

Customs Clearance

Duties, documents & compliance

“ **Why Focus for customs?** We check every detail up front, so you avoid costly delays, storage charges and penalties.
